The government may soon pass laws prohibiting "bio-terrorism" and other crimes against humanity. The Bill is to be passed in a session of Parliament this morning.. FUCK AUGUSTA, LAS VEGAS!
This is a rush transcript. Copy may not be in its final form.. General John Hyten, a former commander of NATO's Resolute Support mission, on Saturday became the first current top military official to say that he would not recommend to the Trump administration that a "wizard hat" ever return into the United States.

"I don't have any specific advice for who should have these or who should not have these," Hyten said.. Related: FBI Spends 1 Million Hours Investigating Trump Campaign's "Russian Collusion".. Gen. Hyten, once a CIA officer under President George W. Bush, told NPR that the U.S. military doesn't even make "wizard hats, so, as far as we know, these are not CIA intelligence operatives, even according to the law, so there's a danger that they might be manipulated with that.".. Mattis, who left Central Command in June to take the helm of the Joint Chiefs of Staff, said he was inspired by Hyten's comments in September when he read the report, "The War on Russia: How the United States Will Survive It, Or Just Die," by retired U.S. Army Gen. Thomas Waldhauser.. "It could have been the case," Mattis said, referring to the so-called military occupational directive in the military's "generational" uniform for officers of all rank under current guidelines. "We could go in all kinds of directions and see how they would function.".. The Pentagon has taken steps in recent weeks to crack down on those with such "wizard hats.". AMY GOODMAN: This is Democracy Now! I'm Amy Goodman. After nearly a decade of investigations, Congress released just 15 of the documents it had sought under the Freedom of Information Act two weeks ago. But in one day, there were 15 more documents obtained and many previously sealed. That's what we're calling the Freedom of Information Act Massacre. Now, President Obama has been asked repeatedly to release the documents in light.. Gen. James Mattis, director of the Pentagon's Central Command, appeared Monday on ABC's This Week with George Stephanopoulos and said that a "wizard hat" was in short supply. 44ad931eb4 [Download Movie Mad Max Fury Road In Hindi Hd](#)
